Dear Ms. Subramaian:

This responds to your Freedom of Information Act (FOIA) request of 22 October 2018, which was received by this office on 22 October 2018, for "files that the US government's intelligence agencies kept on the British scientist and communists JBS Haldane (1892-1964)." Your letter has been assigned Case Number 105470. Please refer to this case number when contacting us about your request. There are no assessable fees for this request. Your request has been processed under the provisions of the FOIA.

NSA collects and provides intelligence derived from foreign communications to policymakers, military commanders, and law enforcement officials. We do this to help these individuals protect the security of the United States, its allies, and their citizens from threats such as terrorism, weapons of mass destruction, foreign espionage, international organized crime, and other hostile activities. What we are authorized to do, and how we do it, is described in Executive Order 12333. Information about how NSA conducts signals intelligence activities is available on the websites of NSA (www.nsa.gov) and the Office of the Director of National Intelligence (www.dni.gov).

We have determined that the fact of the existence or non-existence of the materials you request is a currently and properly classified matter in accordance with Executive Order 13526, as set forth in Subparagraph (c) of Section 1.4. Thus, your request is denied pursuant to the first exemption of the FOIA which provides that the FOIA does not apply to matters that are specifically authorized under criteria established by an Executive Order to be kept secret in the interest of national defense or foreign relations and are, in fact properly classified pursuant to such Executive Order.

In addition, this Agency is authorized by various statutes to protect certain information concerning its activities. The third exemption of the FOIA provides for the withholding of information specifically protected from disclosure by statute. Thus, your request is also denied because the fact of the existence or non-existence of the information is exempted from disclosure pursuant to the third exemption. The specific statutes applicable in this case are Title 18 U.S. Code 798; Title 50 U.S. Code 3024(i); and Section 6, Public Law 86-36 (50 U.S. Code 3605).

You may appeal this decision. If you decide to appeal, you should do so in the manner outlined below. NSA will endeavor to respond within 20 working days of receiving any appeal, absent any unusual circumstances.

- The appeal must be sent via U.S. postal mail, fax or electronic delivery (e-mail) and addressed to:
